

Mr Mike Denny (Janimist) The Beagle Club Treasurer

I first became involved in Beagles in the early eighties although my wife Jane and I had showed Airedale Terriers before that and have both been involved with dogs all our lives. Our home bred boy Champion Janimist Black Mulberry (Leslie) is one of that rare band that has won CC's in the show ring and multiple Working Certificates. I award CC's in the breed and have judged the breed both in the UK and abroad.

I joined the BC committee in 1995 and have been Treasurer since 1999. I was the Working Section Field Master for 3 years and have a strong interest in the hunting beagle. I am also a committee member of The Hound Association and a member of The Kennel Club while also serving my local Open Show Society (Salisbury & South Wilts) as its Treasurer.
