27<sup>th</sup> June 2021

Royal Agricultural College – Cirencester

Judge: Nikki Peterson - Troopersway

### **Best In Show - Reserve Best In Show -- Best Puppy in Show - Best Veteran in Show**

Firstly my sincere thanks to the Beagle Club for the invitation to judge at their first show since 2019, indeed a first show for many since the COVID outbreak. It was a lovely day, good weather and excellent COVID secure measures in place, all topped off with a wonderful entry of quality hounds.

I was delighted with my principal winners, certainly a day for a good quality Tan and White, and some promising youngsters to now go make their mark in the show world. Overall hounds were settled despite the break, testament to the temperament and robustness of the breed. Some excellent construction, mouths were good and nice to see merry hounds once again striding out at the wonderful venue of RAC.
