### **NEWS RELEASE**

The Beagle Club is making changes to its Championship Show venues.

This year the annual Club Championship Show on June 13th will be at The Kennel Club Building at Stoneleigh Park where there are excellent facilities for both outdoor and indoor showing. Full details will be in the show schedule available shortly. Your judges will be Gavin Robertson (Dogs), Frank Kane (Bitches) and your Referee Alistair Parker (Chapscroft).

In 2021 we will return to The Royal Agricultural University at Cirencester over the weekend of June 12th/13th for the Club's 125th Championship Show which will feature a similar show layout to the 125th Anniversary Show in 2016 with a black-tie celebration dinner on the night before with the show taking place on Sunday. Your judges will be Oleg Voloshin (Russia), Eddie Dziuk (USA) and your Referee is Lesley Hiltz (USA). We will keep everyone up to date with news on this exciting weekend as things are crystallised.

In 2022 we will be back at Stoneleigh Park and in 2023 we will be at Cirencester and thereafter the intention is to alternate between these two excellent venues.

Commenting on these moves Beagle Club Secretary Alistair Parker said "the Club sees this as a wonderful opportunity to provide our exhibitors with top quality shows at premium venues with a more equitable geographical spread."
